1. Christ is a - live! As from the start,
2. Christ is a - live! And so are we,
3. Christ is a - live! And at the end,

with the cre - a - tor, not a - part. He
re - deemed from death e - ter - nal - ly. He
will call us home, our wounds to mend. We'll

formed the world, and made it blessed, and
faced the cross and died in shame, and
lay our bur - dens at his feet, as

on the sev - enth day found rest.
for that gift we praise his name.
God's great plan is then com - plete.
