

## Commission Agreement

Composer:

Dr. Walter Saul  
4926 E Townsend  
Fresno, CA, 93727

Commissioner:

Description of Work:

It is understood that the Commissioner has heard or seen samples of the Composer's previous work, has discussed with him the general requirements, mood, and content, and is willing to place faith in the Composer's ability to write an acceptable composition.

If the Commissioner requests substantial revisions that would alter the concept or spirit of the composition, such revisions are subject to negotiation of an additional fee and more completion time.

The Composer's composition will be copyrighted by the Composer and will remain his property. The Composer retains all rights of performance, publication, recording, or video-recording of his compositions.

Composition Completion date:

Fee: Payment Schedule:

First payment of \_\_\_\_\_ is an initial commission fee, is payable immediately on signing of the agreement by both parties, and is nonrefundable regardless of whether the composition is accepted.

Final payment is payable on the day of delivery of the work.

Commissioner's signature and date:
